HOPES

for DISCERNMENT & DECISION-MAKING

There is the
widest possible
participation
across the whole
Church.

We have engaged
in deep learning
together about
God and about
being human.

We are kinder and
more
understanding of
each other as we
travel together.

Everyone can see
that they have
been listened to,
heard, loved, and
taken seriously.

The Spirit's work
among us reveals
something new,
unexpected.

The love and
understanding we
have experienced
will help us reach
our destination in
a better way.

HOPES

for DISCERNMENT & DECISION-MAKING

Some questions:

1. Which of the 6 hopes would you highlight, and why?
2. Is there any further hope you would like to add?
3. Do you have any one or two other comments or observations?

THANK YOU!
