Mister Bean finds a treasure map in his attic, but tricky clues lead him nearly all the way to Australia. The treasure Mister Bean eventually finds, after a lot of effort and hard work, is a strange kind of treasure, but it was just what Mr Bean was looking for.

*'For where your treasure is,
there your heart will be also.'*

Matthew 6:21

The Bible says 'For where your treasure is, there your heart will be also' Jesus is saying that we shouldn't make treasures here on earth more important than our love for Jesus. We all have precious things that we love, but when we get to heaven, we will leave all our

earthly treasures behind us. Jesus wants us to build up our heavenly treasures instead of earthly treasures.

Heavenly treasures are made when we are - patient, kind, generous, loving and joyful (Galatians 5:22).

Things to think and talk about and do:

- Talk about when you were patient, kind, generous, loving and joyful?
- Talk about what it feels like when people are patient, kind, generous, loving and joyful to you?
- Which is most tricky for you - being patient, kind, generous, loving or joyful?
- Talk about why this is most tricky and how you could get better at it.

Prayer

Dear God, help us to not make our earthly treasures more important than you. Help us to see ways where we can build up heavenly treasures by being patient, kind, generous, loving and joyful. Amen.

Jesus told a parable about treasure which can be found in the book of **Matthew 13:44** or you could watch a clip of that story here: <https://youtu.be/KW8uhsZMcw4>
