

The Dioceses of Sheffield, Rochester and Worcester will be piloting new training and support resources for treasurers during the summer and autumn of 2022.

Research carried out by the central church during 2021/22 with dioceses and worshipping communities showed that there was a need for excellent and easy to find resources to assist those who deal with finances. Working collaboratively with ACAT (Association of Church Accountants and Treasurers) we have produced a suite of bitesize videos with the aim that these cover all the things that you need to know to support you in the valuable role that you play as treasurers.

TREASURERS RESOURCES

These resources will be available for you to review, to test and to

give feedback on. Your feedback is essential to ensure that the final product is accessible and relevant for all treasurers regardless of background or previous accounting experience.

During the autumn there will be regular opportunities for you to give feedback through working groups (details to follow) or individually through an online feedback form.
